

# INTELLICENTER® CONTROL SYSTEM UPGRADE KIT

FOR EASYTOUCH® AND INTELLITOUCH®  
CONTROL SYSTEMS

## Introducing the ideal upgrade kit for pool owners with older automation systems!

To help you provide pool owners that have old or inoperable automation systems with the ultimate automation experience, we're introducing the IntelliCenter Upgrade Kit for EasyTouch and IntelliTouch Control Systems. Now, pool owners can have the features they want and deserve without having to purchase a completely new automation system.

This easy retrofit will bring EasyTouch and IntelliTouch Control Systems up to date with all the features of the IntelliCenter Control System and you'll have the ability to remotely monitor your customer's pools with a web-based software, giving pool owners peace of mind and you the ability to provide service quickly.

### KEY FEATURES

- Automatic equipment updates via WiFi
- Control and monitor pool from anywhere, anytime with a smart device, computer, indoor control panel or wireless, remote control
- Receive smart alerts when equipment needs attention
- Expandable to accommodate new equipment add-ons and product upgrades
- User-friendly, color touchscreen for easy system operation, with password protected pool control panel

# INTELLICENTER® CONTROL SYSTEM UPGRADE KIT FOR EASYTOUCH® AND INTELLITOUCH® CONTROL SYSTEMS
